

**KTH Architecture and
the Built Environment**

To Whom It May Concern

On behalf of KTH/ABE School and the CFP/Centre for the Future of Places – KTH Royal Institute of Technology, School of Architecture and the Built Environment I hereby confirm that **Professor Setha Low**, CITY UNIVERSITY OF NEW YORK has been awarded the first ever **ATHENA ACCOLADE CITY AWARD** (given by the Centre for the Future of Places) for her outstanding contribution to the field of Anthropology, Space, Place, Ethnography & Qualitative Methodology at CUNY. These awards are only given to a very few outstanding academics in the field of research pertinent to the centres work. If you have any additional queries, please do not hesitate to contact me.

Sincerely,

2018-05-03

Dr. Tigran Haas

Director of the Centre for the Future of Places (CFP)

Tenured Associate Professor of Urban Planning and Urban Design

Director of the Graduate Studies in Urbanism (MUSE)
